Court Approved Legal Notice

**If you purchased any Pork product in the United States
from January 1, 2009, through May 3, 2021,
for business use in commercial food preparation, a
class action settlement may affect your rights.**

A settlement has been reached in a class action antitrust lawsuit filed on behalf of Commercial and Institutional Indirect Purchaser Plaintiffs with Defendants JBS USA Food Company, JBS USA Food Company Holdings, Swift Pork Company, and related or affiliated entities ("JBS" or "Settling Defendants"). The Settlement requires JBS to pay \$12,750,000. There will be no payments to the Settlement Class at this time. You will be notified later of an opportunity to file a claim. Before any money is paid, the Court will hold a hearing to decide whether to approve the Settlement.

The United States District Court for the District of Minnesota authorized this notice. This Court ordered notice may affect your rights. Please read this notice carefully.

WHO IS INCLUDED?

For settlement purposes, members of the Settlement Class are defined as all entities who indirectly purchased Pork from Defendants or co-conspirators or their respective subsidiaries or affiliates in the United States from January 1, 2009, to May 3, 2021, for their own business use in commercial food preparation.

Only Settlement Class members in the following jurisdictions are eligible to potentially recover money from the settlement: Arkansas, Arizona, California, District of Columbia, Florida, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Nebraska, Nevada, New Hampshire, New Mexico, New York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia and/or Wisconsin.

For purposes of the Settlement, "Pork" means porcine or swine products processed, produced or sold by JBS, or by any of the Defendants or their co-conspirators, including but not limited to: primals (including but not limited to loins, shoulders, picnics, butts, ribs, bellies, hams, or legs), trim or sub-primal products (including but not limited to backloins, tenderloins, backribs, boneless loins, boneless sirloins, riblets, chef's prime, prime ribs, brisket, skirt, cushion, ground meats, sirloin tip roast, or hocks), further processed and value added porcine products (including, but not limited to bacon, sausage, lunch meats, further processed ham, or jerky products), offal or variety products (including, but not limited to hearts, tongues, livers, head products, spleens, kidneys, feet, stomach, bladder, uterus, snoot, ears, tail, brisket bone, intestines, jowls, neck bones or other bones, skin, lungs, glands, hair, or pet food ingredients), rendered product and byproducts (including, but not limited to, lard, grease, meat meal, bone meal, blood meal, or blood plasma), casings (including, but not limited to, mucosa), and carcasses.

In addition to JBS, the Defendants and alleged co-conspirators in this lawsuit are Clemens Food Group, LLC, The

Clemens Family Corporation, Hormel Foods Corporation, Seaboard Foods LLC, Smithfield Foods, Inc., Triumph Foods, LLC, Tyson Foods, Inc., Tyson Prepared Foods, Inc., Tyson Fresh Meats, Inc., and Agri Stats, Inc.

If you are not sure you are included, you can get more information, including a detailed notice, at the Settlement Website [here](#) or by calling toll-free 1-855-867-0738.

WHAT IS THIS LAWSUIT ABOUT?

Commercial and Institutional Indirect Purchaser Plaintiffs allege that Defendants and their co-conspirators conspired and combined to fix, raise, maintain, and stabilize the price of Pork, as of January 1, 2009, with the intent and expected result of increasing prices of Pork in the United States, in violation of federal antitrust laws and various state antitrust, consumer protection and unfair trade practices, and unjust enrichment laws. JBS denies it did anything wrong. The Court did not decide which side was right, but both sides agreed to the Settlement to resolve the case and get benefits to the Settlement Class. The case is still proceeding on behalf of the Commercial and Institutional Indirect Purchaser Plaintiffs against other Defendants who may be subject to separate settlements, judgments, or class certification orders.

WHAT DOES THE SETTLEMENT PROVIDE?

The Settlement Agreement provides that JBS will pay \$12,750,000 to resolve all Settlement Class members' claims against JBS for the Released Claims (as defined in the Settlement Agreement). In addition to this monetary benefit, JBS has also agreed to provide specified cooperation in the Commercial and Institutional Indirect Purchaser Plaintiffs' continued prosecution of the litigation. No money will be distributed at this time. Settlement Class Counsel will continue to pursue the lawsuit against the other Defendants. Settlement Class Counsel may request that the Court award attorneys' fees, permit the reimbursement of certain litigation costs and expenses, set aside funds for future expenses, and grant the class representatives service awards. If such request is made at this time, it will be filed at least fourteen days before the objection deadline and posted on the Settlement Website [here](#) at that time. Settlement Class Counsel will ask the Court for attorneys' fees not to exceed one third of the Settlement Fund and may ask to be reimbursed for costs not to exceed \$350,000. All Settlement funds that remain after payment of the Court ordered attorneys' fees, costs, expenses, and service awards will be distributed at the conclusion of the lawsuit or as ordered by the Court. You will be notified later, if and when there is an opportunity to make a claim to receive a payment.

WHAT ARE YOUR RIGHTS AND OPTIONS?

You do not need to take any action to remain a member of the Settlement Class and be bound by the Settlement Agreement. As a Settlement Class member, you may be able to participate in (or exclude yourself from) any future settlements or judgments obtained by Commercial and Institutional Indirect Purchaser Plaintiffs against other Defendants in the case.

If you do not want to be legally bound by the Settlement Agreement, you must exclude yourself. Your exclusion request must be **postmarked by September 11, 2021**, or you will not be able to sue or continue to sue Settling Defendants for the Released Claims (as defined in the Settlement Agreement). If you exclude yourself, you cannot get money from the Settlement. If you do not exclude yourself from the Settlement Class, you may object to the Settlement. Your objection must be **postmarked by September 11, 2021**. The detailed notice explains how to exclude yourself or object. Details may also be found on the FAQs page of the Settlement website [here](#).

While this Settlement is only with Settling Defendants at this time, the Settlement Class includes persons who purchased Pork products (as defined in the Settlement Agreement) from **any** of the Defendants or their co-conspirators. If you are a member of the Settlement Class and do not exclude yourself, you may be eligible to participate in (or exclude yourself from) any additional settlements which may arise with any other Defendants in the case.

The Court will hold a hearing in this case *In re Pork Antitrust Litigation* (Commercial and Institutional Indirect Purchaser Actions), Case No. 0:18-cv-01776 (D. Minn.) on **November 3, 2021**, at **10:00 a.m.**, to consider whether to approve the Settlement Agreement. You may ask to speak at the hearing, but you do not have to.

This notice is a summary only. You can find more details about the Settlement [here](#) or by calling toll-free 1-855-867-0738. Please do not contact the Court.

UNITED STATES DISTRICT COURT FOR THE DISTRICT OF MINNESOTA

If you purchased any Pork product in the United States from January 1, 2009, through May 3, 2021, for business use in commercial food preparation, a class action settlement may affect your rights.

A federal court authorized this notice. This is not a solicitation from a lawyer.

- A Settlement has been reached in a class action antitrust lawsuit filed on behalf of Commercial and Institutional Indirect Purchaser Plaintiffs with Defendants JBS USA Food Company, JBS USA Food Company Holdings, Swift Pork Company, and related or affiliated entities (“JBS” or “Settling Defendants”). This Settlement only applies to Settling Defendants and does not dismiss claims against other Defendants in the case entitled *In re Pork Antitrust Litigation (Commercial and Institutional Indirect Purchaser Actions)*, Case No. 0:18-cv-01776 (D. Minn.)
- If approved by the Court, the Settlement will resolve a lawsuit over whether JBS combined and conspired in restraint of trade, the purpose and effect of which was to suppress competition and to allow JBS and other Pork producers to charge supra-competitive prices for Pork products during the Settlement Class Period, in violation of federal and state laws. If approved, the Settlement will avoid litigation costs and risks to Commercial and Institutional Indirect Purchaser Plaintiffs and JBS and will release JBS from liability to members of the Settlement Class.
- The Settlement requires JBS to pay \$12,750,000. In addition to this monetary payment, JBS has agreed to provide specified cooperation in the Commercial and Institutional Indirect Purchaser Plaintiffs’ continued prosecution of the litigation. There will be no payments to the Settlement Class at this time. You will be notified later of an opportunity to file a claim.
- The Court has not decided whether JBS did anything wrong, and JBS denies any wrongdoing.
- Your legal rights are affected whether you act or do not act. Please read this notice carefully.

YOUR LEGAL RIGHTS AND OPTIONS		DEADLINE
EXCLUDE YOURSELF	Get no settlement benefits, but keep any right to file your own lawsuit or be part of any <i>other</i> lawsuit against JBS concerning the Released Claims (as defined in the Settlement Agreement).	Postmarked by September 11, 2021

ATTEND A HEARING	Ask to speak to the Court about the fairness of the Settlement.	Notice of Appearance: September 11, 2021
DO NOTHING	You will remain part of the Settlement and you may participate in any monetary distribution, which may happen later. You will be bound by the judgment.	

- These rights and options—and the deadlines to exercise them—are explained in this Notice.
- The Court in charge of this case must still decide whether to approve the Settlement and the requested attorneys’ fees and expenses.

BASIC INFORMATION

1. What is this lawsuit about?

This class action is called *In re Pork Antitrust Litigation (Commercial and Institutional Indirect Purchaser Actions)*, Case No. 0:18-cv-01776, and is pending in the United States District Court for the District of Minnesota. United States District Court Judge John R. Tunheim is overseeing this class action. Commercial and Institutional Indirect Purchaser Plaintiffs allege that Defendants and their co-conspirators conspired and combined to fix, raise, maintain, and stabilize the price of Pork products, from at least January 1, 2009, with the intent and expected result of increasing prices of Pork products in the United States, in violation of federal antitrust laws and various state antitrust, consumer protection and unfair trade practices, and unjust enrichment laws.

The Defendants and co-conspirators named in the Commercial and Institutional Indirect Purchaser Plaintiffs' Fourth Amended and Consolidated Class Action Complaint are producers of Pork products in the United States. In this notice, "Defendants" refers to JBS USA Food Company, JBS USA Food Company Holdings, Swift Pork Company, Clemens Food Group, LLC, The Clemens Family Corporation, Hormel Foods Corporation, Seaboard Foods LLC, Smithfield Foods, Inc., Triumph Foods, LLC, Tyson Foods, Inc., Tyson Prepared Foods, Inc., Tyson Fresh Meats, Inc., and Agri Stats, Inc.

Commercial and Institutional Indirect Purchaser Plaintiffs have reached the Settlement with JBS. However, the Commercial and Institutional Indirect Purchaser Plaintiffs' case is still proceeding against other Defendants. Those other Defendants may be subject to separate settlements, judgments, or class certification orders. If applicable, you will receive a separate notice regarding the progress of the litigation and any resolution of claims against the other Defendants.

JBS has denied all allegations of wrongdoing in this lawsuit and would allege numerous defenses to Plaintiffs' claims if the case against it were to proceed.

2. Why is the lawsuit a class action?

In a class action lawsuit, one or more people or businesses called class representatives sue on behalf of others who have similar claims, all of whom together are a "class." Individual class members do not have to file a lawsuit to participate in the class action settlement, or be bound by the judgment in the class action. One court resolves the issues for everyone in the class, except for those who exclude themselves from the class. The class representatives in this case are the Plaintiffs: Sandee's Bakery; Confetti's; Francis T. Enterprises d/b/a Erbert & Gerbert's; Joe Lopez, d/b/a Joe's Steak and Leaf; Longhorn's Steakhouse; Betty's Eat Shop; Ziggy's BBQ Smokehouse & Ice Cream Parlor, LLC; The Grady Corporation; Mcmjoynt LLC d/b/a The Breakfast Joynt; Edley's Restaurant Group, LLC; Basil Mt. Pleasant, LLC; Basil Charlotte, Inc.; Farah's Courtyard Deli, Inc.; and Tri-Ten LLC.

3. Why is there a Settlement?

The Court did not decide in favor of Commercial and Institutional Indirect Purchaser Plaintiffs or JBS. Commercial and Institutional Indirect Purchaser Plaintiffs believe they may have won at trial and possibly obtained a greater recovery. JBS believes the Commercial and Institutional Indirect Purchaser Plaintiffs may not have succeeded at class certification or won at a trial. But litigation involves risks to both sides, and therefore Commercial and Institutional Indirect Purchaser Plaintiffs and JBS have agreed to the Settlement. The Settlement requires JBS to pay money, as well as provide specified cooperation in the Commercial and Institutional Indirect Purchaser Plaintiffs' continued prosecution of the litigation. Commercial and Institutional Indirect Purchaser Plaintiffs and their attorneys believe the Settlement is in the best interests of all Settlement Class members.

Questions? Go to www.PorkCommercialCase.com or call 1-855-867-0738

4. What if I received previous communications regarding this lawsuit?

You may have received other communications regarding this lawsuit, including solicitations by other attorneys seeking to represent you as a plaintiff in an individual (or “direct action”) lawsuit against Defendants. These communications were not approved by the Court and did not come from Court-appointed Settlement Class Counsel. You should carefully review this Notice and your rights as a potential member of the Settlement Class before deciding whether to opt out or stay in the Settlement Class.

WHO IS INCLUDED IN THE SETTLEMENT

5. How do I know if I am part of the Settlement?

The Court decided that, for settlement purposes, members of the Settlement Class are defined as:

All entities who indirectly purchased Pork from Defendants or co-conspirators or their respective subsidiaries or affiliates in the United States during the Settlement Class Period for their own business use in commercial food preparation.

The Settlement Class Period is from January 1, 2009, to May 3, 2021.

All Settlement Class members are members of the nationwide class. Only Settlement Class members in the following jurisdictions are eligible to potentially recover money from the settlement funds: Arkansas Arizona, California, District of Columbia, Florida, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Nebraska, Nevada, New Hampshire, New Mexico, New York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia and/or Wisconsin.

While this Settlement is only with JBS at this time, the Settlement Class includes purchasers Pork products (as defined in the Settlement Agreement) from *any* of the Defendants or their co-conspirators. If you are a member of the Settlement Class and do not exclude yourself, you may be eligible to participate in (or exclude yourself from) any additional settlements which may arise with any other Defendants in the case.

6. What Pork products are included in the Settlement?

For purposes of the Settlement, “Pork” means porcine or swine products processed, produced or sold by JBS, or by any of the Defendants or their co-conspirators, including but not limited to: primals (including but not limited to loins, shoulders, picnics, butts, ribs, bellies, hams, or legs), trim or sub-primal products (including but not limited to backloins, tenderloins, backribs, boneless loins, boneless sirloins, riblets, chef’s prime, prime ribs, brisket, skirt, cushion, ground meats, sirloin tip roast, or hocks), further processed and value added porcine products (including, but not limited to bacon, sausage, lunch meats, further processed ham, or jerky products), offal or variety products (including, but not limited to hearts, tongues, livers, head products, spleens, kidneys, feet, stomach, bladder, uterus, snoot, ears, tail, brisket bone, intestines, jowls, neck bones or other bones, skin, lungs, glands, hair, or pet food ingredients), rendered product and byproducts (including, but not limited to, lard, grease, meat meal, bone meal, blood meal, or blood plasma), casings (including, but not limited to, mucosa), and carcasses.

7. Are there exceptions to being included in the Settlement?

Yes. Specifically excluded from the Settlement Class are the Defendants; the officers, directors, or employees of any Defendant; the parent companies of any Defendant; the subsidiaries of any

Defendant and any entity in which Defendant has a controlling interest; purchasers of Pork that purchased Pork directly from any Defendant, including those that directly purchased Pork for resale in an unmodified and untransformed form; and any affiliate, legal representative, heir or assign of any Defendant. Also excluded from the Settlement Class are any federal, state or local government entities, any judicial officer presiding over this action and the members of his/her immediate family and judicial staff, any juror assigned to this action.

If you are in one of these categories, you are not a member of the Settlement Class and not eligible to participate in the Settlement.

8. What if I am still not sure whether I am part of the Settlement?

If you are still not sure if you included, please review the detailed information contained in the Settlement Agreement, available at www.PorkCommercialCase.com, or call the Settlement Administrator toll-free at 1-855-867-0738.

THE BENEFITS OF THE SETTLEMENT

9. What does the Settlement with JBS provide?

If the Settlement is approved, JBS will pay \$12,750,000 to resolve all Settlement Class members' claims against JBS for the Released Claims (as defined in the Settlement Agreement). In addition to this monetary benefit, JBS has also agreed to provide specified cooperation in the Commercial and Institutional Indirect Purchaser Plaintiffs' continued prosecution of the litigation. The Settlement Agreement is available at www.PorkCommercialCase.com.

10. What are the Settlement benefits being used for?

No money will be distributed at this time. Settlement Class Counsel will continue to pursue the lawsuit against the other Defendants. Settlement Class Counsel may request that the Court award attorneys' fees and permit the reimbursement of certain litigation costs and expenses. Settlement Class Counsel will also seek permission to set aside up to ten percent of the Settlement Fund for future litigation expenses to be used in the continuing lawsuits against the non-settling Defendants and will seek service awards for the class representatives. See Question 20 for more information regarding Settlement Class Counsel's attorneys' fees, costs, expenses, and class representative service awards. All Settlement funds that remain after payment of the Court ordered attorneys' fees, costs, expenses, and service awards will be distributed at the conclusion of the lawsuit or as ordered by the Court. You will be notified later, when there is an opportunity to make a claim to receive a payment.

11. What am I giving by staying in the Settlement Class?

Unless you exclude yourself, you are staying in the Settlement Class, which means that you cannot sue, continue to sue, or be part of any other lawsuit against the Settling Defendants that pertains to the Released Claims (as defined in the Settlement Agreement).

It also means that all of the Court's orders will apply to you and legally bind you. The Released Claims are detailed in the Settlement Agreement, available at www.PorkCommercialCase.com.

You are not releasing your claims against any Defendant other than the Settling Defendants by staying in the Settlement Class.

12. What are the Released Claims?

The Settlement Agreement in paragraph 14 (titled “Release”) describes these “Released Claims” and the “Released Parties” in necessary legal terminology, so read this section carefully. The Settlement Agreement is available at www.PorkCommercialCase.com or in the public court records on file in this lawsuit. For questions regarding the Releases or what they mean, you can also contact one of the lawyers listed in Question 17 for free, or you can talk to your own lawyer at your own expense.

13. What happens if I do nothing at all?

If you do nothing, you will remain a member of the Settlement Class and participate in this Settlement if you submit a Valid Claim Form, if required, when that option is available at a later date. You will also have the opportunity to participate in (or exclude yourself from) any future settlements or judgments obtained by Commercial and Institutional Indirect Purchaser Plaintiffs against other Defendants in the case.

EXCLUDING YOURSELF FROM THE SETTLEMENT**14. How do I exclude myself from the Settlement with JBS?**

If you do not want the benefits offered by the Settlement and you do not want to be legally bound by the terms of the Settlement, or if you wish to pursue your own separate lawsuit against the Settling Defendants, you must exclude yourself by submitting a written request to the Settlement Administrator stating your intent to exclude yourself from the Settlement Class (an “Exclusion Request”). Your Exclusion Request must include the following:

- (a) Your name and address;
- (b) A statement that you want to be excluded from the Settlement Class in *In re Pork Antitrust Litigation (Commercial and Institutional Indirect Purchaser Actions)*; and
- (c) Your signature.

You must mail your Exclusion Request, **postmarked by September 11, 2021**, to:

Pork Commercial and Institutional Indirect Purchaser Litigation
P.O. Box 6610
Portland, OR 97228-6610

15. If I exclude myself, can I still get anything from the Settlement with JBS?

No. If you exclude yourself, you are telling the Court that you do not want to be part of the Settlement with JBS. You can only get settlement benefits from the Settlement with JBS if you stay in the Settlement and submit a valid Claim Form when that option is available at a later date.

16. If I do not exclude myself, can I sue JBS for the same thing later?

No. Unless you exclude yourself, you give up the right to sue JBS for the claims that the Settlement resolves. If you have a pending lawsuit against JBS, speak to your lawyer for that lawsuit immediately to determine whether you must exclude yourself from this Settlement Class to continue your own lawsuit against Settling Defendants.

By staying in the lawsuit, you are not releasing your claims in this case against any Defendant other than the Settling Defendants.

Questions? Go to www.PorkCommercialCase.com or call 1-855-867-0738

OBJECTING TO THE SETTLEMENT**17. How do I tell the Court that I do not like the Settlement?**

If you are a member of the Settlement Class and have not excluded yourself from the Settlement, you can object to the Settlement if you do not like part or all of it. The Court will consider your views.

To object, you must send a letter or other written statement saying that you object to the Settlement with JBS in *In re Pork Antitrust Litigation (Commercial and Institutional Indirect Purchaser Actions)* and the reasons why you object to the Settlement. Be sure to include your full name, current mailing address, and email address. Your objection must be signed. You may include or attach any documents that you would like the Court to consider. Do not send your written objection to the Court or the judge. Instead, mail the objection to the Settlement Administrator, Settlement Class Counsel, and counsel for JBS at the addresses listed below. Your objection must be **postmarked by September 11, 2021**.

18. What is the difference between objecting and excluding myself?

Objecting is telling the Court that you do not like something about the Settlement. You can object only if you do not exclude yourself from the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class. If you exclude yourself, you cannot object because the Settlement no longer affects you.

THE LAWYERS REPRESENTING YOU**19. Do I have a lawyer in this case?**

Yes, the Court has appointed Cuneo Gilbert & LaDuca, LLP and Larson · King LLP as Settlement Class Counsel for the Settlement Class. If you wish to remain a member of the Settlement Class, you do not need to hire your own lawyer because Settlement Class Counsel is working on your behalf. If you wish to pursue your own case separate from this one, or if you exclude yourself from the Settlement Class, these lawyers will no longer represent you. You will need to hire your own lawyer if you wish to pursue your own lawsuit against JBS.

20. How will Settlement Class Counsel be paid?

Settlement Class Counsel will ask the Court for attorneys' fees based on their services in this litigation, not to exceed one third of the Settlement Fund net of any expense reimbursement and class

representative service awards. Settlement Class Counsel will ask to be reimbursed for certain expenses already incurred on behalf of the Settlement Class in an amount not to exceed \$350,000 and will also seek permission to set aside up to ten percent of the gross Settlement Fund for future litigation expenses to be used in the continuing lawsuits against the non-settling Defendants. Settlement Class Counsel will also seek service awards of up to \$7,500 for each class representative. Any payment to the attorneys or class representatives will be subject to Court approval, and the Court may award less than the requested amount. The attorneys' fees, costs, expenses, and service awards that the Court orders, plus the costs to administer the Settlement, will come out of the Settlement Fund. Settlement Class Counsel may seek additional attorneys' fees, costs, expenses, and service awards from any other settlements or recoveries obtained in the future. When Settlement Class Counsel's motion for fees, costs, expenses, and service awards is filed, it will be available at www.PorkCommercialCase.com. The motion will be posted on the website at least 14 days before the deadline for objecting, commenting on, or excluding yourself from the Settlement. You will have an opportunity to comment on this request.

THE COURT'S FAIRNESS HEARING

21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a hearing to decide whether to approve the Settlement (the "Fairness Hearing"). You may attend and you may ask to speak, but you do not have to. The Court will hold a Fairness Hearing on **November 3, 2021, at 10:00 a.m.**, at the United States District Court for the District of Minnesota, Courtroom 15, 300 South Fourth Street, Minneapolis, MN 55415. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court will listen to class members who have asked to speak at the hearing. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take. Pursuant to any applicable orders relating to the COVID-19 emergency or otherwise, the Fairness Hearing may take place remotely, including via telephone or video conference. The Court may also move the Fairness Hearing to a later date without providing additional notice to the Class. Updates will be posted to the Settlement website www.PorkCommercialCase.com regarding any changes to the hearing date.

22. Do I have to attend to the Fairness Hearing?

No. Settlement Class Counsel will answer any questions the Court may have. However, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it's not necessary.

23. May I speak at the Fairness Hearing?

Yes. You may ask to speak at the Fairness Hearing. To do so, you must send a letter saying that it is your "Notice of Intention to Appear in *In re Pork Antitrust Litigation (Commercial and Institutional Indirect Purchaser Actions)*." Be sure to include your name, current mailing address, telephone number, and signature. Your Notice of Intention to Appear must be **postmarked by September 11, 2021**, and it must be sent to the Clerk of the Court, Settlement Class Counsel, and counsel for JBS. United States District Court for the District of Minnesota →

Jul 13, 2021, 09:00 ET

MINNEAPOLIS, July 13, 2021 /PRNewswire/ -- A settlement has been reached in a class action antitrust lawsuit filed on behalf of Commercial and Institutional Indirect Purchaser Plaintiffs with Defendants JBS USA Food Company, JBS USA Food Company Holdings, Swift Pork Company, and related or affiliated entities ("JBS" or "Settling Defendants"). The Settlement requires JBS to pay \$12,750,000. There will be no payments to the Settlement Class at this time. You will be notified later of an opportunity to file a claim. Before any money is paid, the Court will hold a hearing to decide whether to approve the Settlement.

The United States District Court for the District of Minnesota authorized this notice. This Court ordered notice may affect your rights. Please read this notice carefully.

WHO IS INCLUDED?

For settlement purposes, members of the Settlement Class are defined as all entities who indirectly purchased Pork from Defendants or co-conspirators or their respective subsidiaries or affiliates in the United States from January 1, 2009, to May 3, 2021, for their own business use in commercial food preparation.

Only Settlement Class members in the following jurisdictions are eligible to potentially recover money from the settlement: Arkansas, Arizona, California, District of Columbia, Florida, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Nebraska, Nevada, New Hampshire, New Mexico, New

York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia and/or Wisconsin.

For purposes of the Settlement, "Pork" means porcine or swine products processed, produced or sold by JBS, or by any of the Defendants or their co-conspirators, including but not limited to: primals (including but not limited to loins, shoulders, picnics, butts, ribs, bellies, hams, or legs), trim or sub-primal products (including but not limited to backloins, tenderloins, backribs, boneless loins, boneless sirloins, riblets, chef's prime, prime ribs, brisket, skirt, cushion, ground meats, sirloin tip roast, or hocks), further processed and value added porcine products (including, but not limited to bacon, sausage, lunch meats, further processed ham, or jerky products), offal or variety products (including, but not limited to hearts, tongues, livers, head products, spleens, kidneys, feet, stomach, bladder, uterus, snoot, ears, tail, brisket bone, intestines, jowls, neck bones or other bones, skin, lungs, glands, hair, or pet food ingredients), rendered product and byproducts (including, but not limited to, lard, grease, meat meal, bone meal, blood meal, or blood plasma), casings (including, but not limited to, mucosa), and carcasses.

In addition to JBS, the Defendants and alleged co-conspirators in this lawsuit are Clemens Food Group, LLC, The Clemens Family Corporation, Hormel Foods Corporation, Seaboard Foods LLC, Smithfield Foods, Inc., Triumph Foods, LLC, Tyson Foods, Inc., Tyson Prepared Foods, Inc., Tyson Fresh Meats, Inc., and Agri Stats, Inc.

If you are not sure you are included, you can get more information, including a detailed notice, at www.PorkCommercialCase.com or by calling toll-free 1-855-867-0738.

WHAT IS THIS LAWSUIT ABOUT?

Commercial and Institutional Indirect Purchaser Plaintiffs allege that Defendants and their co-conspirators conspired and combined to fix, raise, maintain, and stabilize the price of Pork, as of January 1, 2009, with the intent and expected result of increasing prices of Pork in the United States, in violation of federal antitrust laws and various state antitrust, consumer protection and unfair trade practices, and unjust enrichment laws. JBS denies it did anything wrong. The Court did not decide which side was right, but both sides agreed to the Settlement to resolve the case and get benefits to the Settlement Class. The case is still proceeding on behalf of the Commercial and Institutional Indirect Purchaser Plaintiffs against other Defendants who may be subject to separate settlements, judgments, or class certification orders.

WHAT DOES THE SETTLEMENT PROVIDE?

The Settlement Agreement provides that JBS will pay \$12,750,000 to resolve all Settlement Class members' claims against JBS for the Released Claims (as defined in the Settlement Agreement). In addition to this monetary benefit, JBS has also agreed to provide specified cooperation in the Commercial and Institutional Indirect Purchaser Plaintiffs' continued prosecution of the litigation. No money will be distributed at this time. Settlement Class Counsel will continue to pursue the lawsuit against the other Defendants. Settlement Class Counsel may request that the Court award attorneys' fees, permit the reimbursement of certain litigation costs and expenses, set aside funds for future expenses, and grant the class representatives service awards. If such request is made at this time, it will be filed at least fourteen days before the objection deadline and posted on the website www.PorkCommercialCase.com at that time. Settlement Class Counsel will ask the Court for attorneys' fees not to exceed one third of the Settlement Fund and may ask to be reimbursed for costs not to exceed \$350,000. All Settlement funds that remain after payment of the Court ordered attorneys' fees, costs, expenses, and service awards will be distributed at the conclusion of the lawsuit or as ordered by the Court. You will be notified later, if and when there is an opportunity to make a claim to receive a payment.
